Mike – Based on this form, I'm still not clear if we should be tagging NCI facilities for off-site monitoring in ICIS. I'm thinking so – Should this form be modified to capture that info? CCing Zelma as well on this.

Thanks.

Subject: Horizon Land Management: OfCM ICIS Forms

Good morning, Clarissa,

Could you please enter the attached information into ICIS? These forms are for a review of Horizon Land Management's response to the July 1, 2020 Information Requirement Letter. The review includes three different facilities, so I've attached 3 forms but the information is the same for each. Please let me know if you have any questions about this information.

Thank you,

Jennie Brancho
